

# CLASSIC

## 30' 40'

The CLASSIC® frame and cover has the capability to extend its length to 100+ feet. This frame is a free standing aluminum frame structure that has no center poles. The use of mid extensions make the CLASSIC a very versatile tent style.

### How do cover mid extensions connect?

To extend the length of any of the CLASSIC and TRIO covers, there are 10', 15' and 20' cover mid extensions that lace to the main tent cover. The diagram below shows how the loops from the mid extension fit through grommets on the main tent cover and loop-lace together. A vinyl flap then covers and seals the lacing for a clean, seamless look.

KENTUCKY TENT MODEL APPROVED.
